

**AMENDMENT No. 1 OF
PROFESSIONAL SERVICES CONTRACT**

THIS AMENDMENT made as of the ____ day of _____ in the Territory of the Virgin Islands, by and between the Government of the Virgin Islands **DEPARTMENT OF PROPERTY AND PROCUREMENT**, on behalf of the **VIRGIN ISLANDS POLICE DEPARTMENT**, (hereinafter referred to as “**Government**”).) **MON ETHOS PRO SUPPORT, LLC** whose address is:

56 A Estate Frydenhoj
Charlotte Amalie, St. Thomas, VI 00802

(hereinafter referred to as “**Contractor**” or “**MEPS**”).

Both parties witness to being duly authorized to execute this agreement and will attest accordingly when and where necessary.

WITNESSETH

WHEREAS, pursuant to Contract No. P001VPDT24 approved by the Governor of the Virgin Islands on October 10th, 2023 (which constitute and are hereinafter referred to as the “Contract”). Contractor will provide investigative support, training, and criminal intelligence analysis to support local law enforcement in ongoing investigations, including, related to digital crimes, including but not limited to examination of digital devices, including computers, servers, and other electronic equipment. Recover and analyze digital evidence, collecting and preserving digital evidence in a manner that is admissible in court, recovering data from damaged or inaccessible devices, such as hard drives or smartphones, to support criminal investigations. Analyzing social media data to identify patterns and connections that may be relevant to the investigation, including potential witnesses, suspects, or accomplices. Provide access to historical satellite imagery and will analyze the changes in a specific location over time, including the construction of new buildings or removal of old ones, in order to determine the timeline of events related to a crime and identify potential suspects or witnesses; live satellite imagery to track the movements of suspects in real-time, especially in rural or remote areas where traditional surveillance methods may not gang investigations, maritime crime, and missing persons, and which duties and responsibilities are more particularly described in Addendum I (Scope of Services) attached hereto; and

WHEREAS, Contract No. P001VPDT24 was projected for completion but all services were not completed, through no fault of the Contractor; and

WHEREAS, the Government has a continued need for adherence to the Contract and seeks to complete the remaining tasks from Contract No. P001VPDT24; and

WHEREAS Contractor has requested additional resources to complete the required services from Contract No. P001VPDT24 because all resources have been exhausted and there are pending matters that have not been addressed; and

Contract No. _____

Initials:

WHEREAS, the Contract expires pursuant to its terms on September 30th 2024 and

WHEREAS, the parties desire to amend the Contract, to increase the expenditure by Eight Hundred and Eighty-Seven Thousand Eight Hundred and Sixty-Nine Dollars and Twenty-Five Cents (\$887,869.25), to complete tasks as provided in the Contract; and which duties and responsibilities are more particularly described in Addendum I (Scope of Services) attached hereto; and

WHEREAS, the Amendment of the Contract pursuant to this Amendment of Professional Services Contract shall result in no change to the scope of work provided for under the Contract and but requires an increase to the compensation originally provided for under the Contract through no fault of the Contractor;

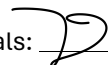

NOW THEREFORE, for mutual and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

TERMS AND CONDITIONS

1. The Contract is hereby Amended, and its compensation is increased Eight Hundred and Eighty-Seven Thousand Eight Hundred and Sixty-Nine Dollars and Twenty-Five Cents (\$887,869.25), to complete tasks as provided in the Contract; and which duties and responsibilities are more particularly described in Addendum of the Contract (Scope of Services) is amended by deleting all terms contained therein in First Amended Addendum II (1st Amended Compensation) attached hereto and incorporated into the Contract by this reference with language as follows:
2. The Government, in consideration of the satisfactory performance of the services described in Addendum of the Contract (Scope of Services) agrees to pay Contractor a sum not to exceed Two Million Three Hundred and Seventy-Seven, Five Hundred and Fifty-Two Dollars and Twenty-Five Cents (\$2,377,552.25) in accordance with the provisions set forth in 1st Amended Addendum II (1st Amended Compensation) attached hereto and made a part of this contract.
3. First Addendum II of the Contract is revised by deleting all terms contained therein and inserting in lieu thereof all of the terms contained in Addendum of Contract (Scope of Services) and 1st Amended Addendum II (1st Amended Compensation) attached hereto and incorporated into the Contract by this reference.
4. This Amendment is subject to the approval of the Governor of the Virgin Islands and to the appropriation and availability of funds.
5. Except as expressly amended in this Amendment, all terms of the Contract P001VPDT24 remain in full force and effect.
6. A facsimile, electronic or digital signature on this Contract shall be deemed an original and binding upon the Parties hereto.

The Parties have hereunto set their hands on the day and year as set forth below.

1st AMENDED ADDENDUM II
(1st AMENDED COMPENSATION)

The Government, in consideration of the satisfactory performance of the services described in Addendum I (Scope of Services) and travel expenses agrees to pay Contractor a sum Two Million Three Hundred and Seventy-Seven, Five Hundred and Fifty-Two Dollars and Twenty-Five Cents (\$2,377,552.25). The contractor will bill for services identified in Addendum I every thirty (30) Days for services rendered pursuant to this contract.

Due to the need to purchase products, software and demanding nature of the services provided to the Government, the Contractor, requires an initial upfront payment of Twenty-Five Percent (25%), which amounts to **THREE HUNDRED SEVENTY-TWO THOUSAND FOUR HUNDRED TWENTY DOLLARS and SEVENTY-FIVE CENTS (\$372,420.75)**. This upfront payment will be used for scaling up resources, investing in advanced technology, enhancing operational infrastructure, and providing initial training for personnel. This Twenty-Five Percent (25%) payment will be provided upon the execution of this contract and completion of required documentation.

8000-10126	CMS Development: Level 2	Creating and managing content management systems (CMS) like WordPress, Joomla, or Drupal.	\$800.00
8000-10127	Front-end Development: Level 2	Creating the parts of the website that users interact with using languages like HTML, CSS, and JavaScript.	\$800.00
8000-10128	Back-end Development: Level 2	Building the server-side components of a website or app using languages like PHP, Ruby, Python, Java, or .NET.	\$800.00
8000-10129	UI/UX Design: Level 2	Creating intuitive and aesthetically pleasing user interfaces and experiences.	\$800.00
8000-10130	API Development and Integration: Level 2	Building APIs (Application Programming Interfaces) to allow different software systems to communicate, or integrating existing APIs into a website or app.	\$800.00
8000-10131	Web and App Maintenance: Level 2	Regularly updating websites or apps to keep them running smoothly, secure, and up to date.	\$800.00
8000-10132	Database Design and Management: Level 2	Creating and managing databases that store the website's or app's data.	\$800.00
8000-10133	Software Testing: Level 2	Checking software for bugs or errors before and after it's released.	\$800.00
8000-10134	Web and App Analytics: Level 2	Analyzing user data to help clients understand how their website or app is being used and how it can be improved.	\$800.00
8000-10135	App Store Optimization: Level 2	Helping apps to rank higher in app store search results.	\$800.00
8000-10136	Progressive Web Apps (PWA) Development: Level 2	Building web apps that function like native mobile apps.	\$800.00
8000-10137	Web Hosting: Level 2	Providing space on a server where a website or app can be stored and accessed.	\$800.00
8000-10138	SEO Services: Level 2	Optimizing websites to rank higher in search engine results pages (SERPs).	\$800.00
8000-10139	Social Media Integration: Level 2	Incorporating elements of social media platforms into websites or apps.	\$800.00
8000-10140	Cross-Platform App Development: Level 2	Building apps that can run on multiple platforms with a single codebase.	\$800.00
8000-10141	Web and Mobile App Security: Level 2	Implementing security measures to protect websites and apps from threats and attacks.	\$800.00
8000-10142	Virtual Reality (VR) and Augmented Reality (AR) App Development: Level 2	Creating apps that utilize VR and AR technologies.	\$800.00
8000-10143	Internet of Things (IoT) Development: Level 2	Creating applications that connect with and control IoT devices.	\$800.00
8000-10144	Web and App Accessibility: Level 2	Ensuring that websites and apps can be used by people with various disabilities.	\$800.00
8000-10145	Digital Strategy Consulting: Level 2	Helping clients to develop strategies for their online presence.	\$800.00
8000-10146	Content Development and Strategy: Level 2	Creating and managing digital content for websites or apps.	\$800.00
8000-10147	Training and Support: Level 2	Providing training for clients on how to manage their website or app and offering ongoing support.	\$800.00
8000-10148	Migration and Porting: Level 2	Assisting in the transition from one platform to another, or from an old system to a new one.	\$800.00

Contract No. _____

8000-10149	Prototype and MVP Development: Level 2	Building initial versions of a web or mobile app to test the concept and gather user feedback.	\$800.00
8000-10150	Other: Level 2	Other	\$800.00
8000-10151	Digital Forensic Investigation: Level 3	Recovering and investigating material found in digital devices related to criminal or civil cases.	\$600.00
8000-10152	Cybercrime Investigation: Level 3	Analyzing and investigating cybercrimes such as hacking, phishing, and online fraud.	\$600.00
8000-10153	Data Recovery: Level 3	Recovering lost or deleted data from various digital devices.	\$600.00
8000-10154	Network Forensics: Level 3	Monitoring and analyzing computer network traffic for the purposes of information gathering, legal evidence, or intrusion detection.	\$600.00
8000-10155	Mobile Device Forensics: Level 3	Extracting and analyzing data from mobile devices.	\$600.00
8000-10156	Malware Analysis: Level 3	Identifying, assessing, and understanding malicious software such as viruses, worms, trojans, ransomware, etc.	\$600.00
8000-10157	Incident Response: Level 3	Helping to manage and mitigate the effects of a data breach or cyber-attack, and to prevent further damage.	\$600.00
8000-10158	Cybersecurity Consulting: Level 3	Advising on cybersecurity best practices, risks, and solutions.	\$600.00
8000-10159	Cybersecurity Training: Level 3	Providing training for law enforcement personnel on dealing with cyber threats and understanding the cyber landscape.	\$600.00
8000-10160	Expert Witness Testimony: Level 3	Providing expert testimony in court cases related to digital forensics and cybersecurity.	\$600.00
8000-10161	Dark Web Analysis: Level 3	Investigating activities on the dark web related to criminal cases.	\$600.00
8000-10162	Social Media Forensics: Level 3	Investigating and analyzing evidence from social media platforms.	\$600.00
8000-10163	Email Investigations: Level 3	Tracing and investigating fraudulent or suspicious email activity.	\$600.00
8000-10164	Cloud Forensics: Level 3	Analyzing and recovering data stored in cloud-based platforms.	\$600.00
8000-10165	Cryptocurrency Forensics: Level 3	Tracking and investigating illegal activities related to cryptocurrency transactions.	\$600.00
8000-10166	Password Recovery: Level 3	Recovering lost or forgotten passwords or cracking encrypted data.	\$600.00
8000-10167	IT Auditing: Level 3	Reviewing and evaluating the controls over information systems to ensure data integrity and security compliance.	\$600.00
8000-10168	IP Tracing: Level 3	Tracking and identifying the source of an IP address.	\$600.00
8000-10169	Software Forensics: Level 3	Analyzing software for evidence of crimes, intellectual property theft, or fraudulent activity.	\$600.00
8000-10170	IoT Forensics: Level 3	Investigating internet-connected devices for evidence related to cybercrimes.	\$600.00
8000-10171	Countermeasures Design: Level 3	Designing strategies to prevent and detect cyber threats.	\$600.00
8000-10172	Threat Intelligence: Level 3	Identifying, monitoring, and analyzing threats to prevent cyber-attacks.	\$600.00
8000-10173	Policy Development: Level 3	Assisting in the development of policies related to digital forensics and cybercrime investigations.	\$600.00
8000-10174	Risk Assessment: Level 3	Evaluating an organization's cybersecurity posture and identifying areas of vulnerability.	\$600.00
8000-10175	Compliance Consulting: Level 3	Advising on compliance with regulations related to digital forensics and cybersecurity.	\$600.00
8000-10176	Case Management Support: Level 3	Assisting with the organization and tracking of case files, evidence, and related materials.	\$600.00

Contract No. _____

Initials: 

8000-10177	Investigative Strategy Planning: Level 3	Collaborating with investigators to plan effective strategies for solving cases.	\$600.00
8000-10178	Expert Witness Services: Level 3	Providing expert testimony in court cases, which may be especially relevant for complex cases involving specialized knowledge.	\$600.00
8000-10179	Training and Capacity Building: Level 3	Offering training sessions, workshops, and capacity building activities to improve the knowledge and skills of department staff.	\$600.00
8000-10180	Research Services: Level 3	Conducting research related to cases, including legal research, background checks, profiling, crime scene reconstruction, etc.	\$600.00
8000-10181	Evidence Analysis: Level 3	Providing expert analysis of evidence, which can include everything from digital forensics to DNA analysis.	\$600.00
8000-10182	Legal Consultation: Level 3	Providing advice and guidance on legal matters related to cases, such as compliance with laws and regulations, understanding of legal processes, etc.	\$600.00
8000-10183	Surveillance and Intelligence: Level 3	Assisting with surveillance operations and intelligence gathering.	\$600.00

8000-10374	Prototype and MVP Development: Level 5	Building initial versions of a web or mobile app to test the concept and gather user feedback.	\$300.00
8000-10375	Other: Level 5	Other	\$300.00

Invoices to the Government shall detail contractor's activities for the payment period excluding specific ongoing case details in the following format:

<u>DESCRIPTION</u>	<u>RATE</u>	<u>QTY</u>
<u>LINE TOTAL</u>		
Case Support Services (ODDFA – [8710-XXXX])	\$XXX.XX	X
\$XXX.XX		
[A Short Description of Service Provided] – [Type of Case]		

All invoices shall be subject to review and approval by the Government.

Upon review of an invoice, the Government may request additional supporting documentation from the Contractor. The Government shall use its best efforts to, within thirty (30) days of receipt of an invoice, pay the invoice in full or give a written explanation for non-payment of any contested portions of the invoice. Failure of the Government, despite its best efforts, to respond to an invoice within thirty (30) days of receipt of the invoice shall not be interpreted as an indication that the Government no longer desires the Contractor's services.

Invoices shall consist of, at a minimum, the following information:

- Name and address of the contractor.
- User agency to whom invoice should be sent (Name, Title, Agency).
- Invoice date, invoice number and invoice amount.

Contract No. _____

Initials: 

- Contract number
- Summary of the services performed and applicable time frame excluding specific ongoing case details or information protected under V.I. Code Title 3, § 881 (2019) Confidential records (g)
- Shipping and/or payment terms.
